

5th FS CREATION Seminar

Amphiphilic porous coordination networks for structure determination of bioactive medium-sized molecules

Prof. Masaki Kawano

(Tokyo Institute of Technology)

Sep. 12 (Tue.) 2023, 15:00 – 15:50

**@FS CREATION, Mitsui Link-Lab Kashiwanoha 1
+ online (Zoom meeting)**

“FS CREATION Seminar” is a seminar held at the FS CREATION managed by Prof. Makoto Fujita and Prof. Sota Sato, Department of Applied Chemistry, School of Engineering, The University of Tokyo.
